

English Literacy Programme

For SEN Children

The English Literacy Programme is a structured, phonics-based, multi-sensory programme for **teaching literacy to learners with dyslexia**. The programme also includes a section of memory training, both auditory sequential and visual sequential.

Objectives

The programme aims to:-

- ❖ secure letter knowledge
- ❖ improve reading, spelling and handwriting skills
- ❖ foster automaticity by emphasizing on memory work and speed of retrieval
- ❖ ensure a good foundation for understanding literacy concepts e.g. suffixing. Spelling rules, syllable division, etc.
- ❖ develop strategies to increase the capacity for storing information in working memory in order to support classroom activities
- ❖ develop comprehension, higher order literacy skills and study skills e.g. scanning, note-making, etc.

Content

❖ alphabet work	❖ reading	❖ handwriting	❖ revision
❖ memory training	❖ spelling	❖ dictation	❖ games

Instructor

Ms. Lorraine Fung is an experienced special needs teacher with postgraduate trainings in literacy support and years of experience working with SEN children in various educational settings. She is specialised in teaching dyslexia and mindfulness programmes. Meanwhile, she is undertaking another professional course which is accredited by the British Dyslexia Association.
