

Rhythmic Jamnasium

Music Therapy with African Drums

Rhythmic Jamnasium is a fun and engaging music programme which develops your child's potential to the fullest.

This programme focuses on children's listening and playing with a variety of musical instruments including African drums in a small group setting. It covers the basic technique of making different sounds and tones and rhythm games for children to explore their own sense of rhythms.

Objectives

Through drumming, dancing, singing and creative movements, the programme aims to:-

- ✧ Develop your child's body awareness.
- ✧ Provide opportunities for imitation, memorization and repeating melodies.
- ✧ Promote the development of motor skills to enhance body coordination.
- ✧ Develop your child's inner sense of rhythm, self confidence, communication and social skills.
- ✧ Develop your child's attention span.
- ✧ Encourage social interaction and cooperation amongst participants.

Instructor Registered Music Therapist specialized in early intervention and a music tutor for African Drums.
